RESPONSE TO OFFICE COMMUNICATION

Dear Sir or Madam:

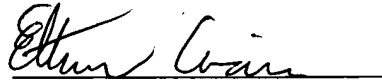

In an office communication mailed July 20, 2005, it was noted that the replacement drawing sheets (sheets 2/12, 10/12, 11/12, and 12/12) enclosed with the applicants' amendment of July 11, 2005 were not labeled "Replacement Sheet" on the replacement sheets themselves in conformity with 37 C.F.R. §1.121. Similarly, the annotated marked up drawing sheets corresponding to such replacement sheets were not labeled as "Annotated Marked Up Drawings" in conformity with the same regulation.

Accordingly, the replacement drawing sheets and marked up drawing sheets are being resubmitted with the correct label in the top margin of each drawing sheet.

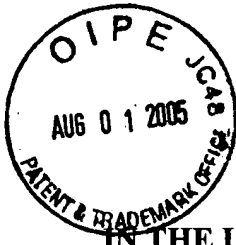

For the reasons set forth in the applicants' amendment of July 11, 2005, the

applicants believe that claims 1-27 are allowable over the prior art of record and request that a timely Notice of Allowance be issued.

Respectfully Submitted,
